PROFESSIONAL SUMMARY

I am an energetic and enthusiastic Web developer with a strong background in Business and Information Technology, committed to creating impactful digital solutions that enhance user experience, improve accessibility, and contribute to transformative technological innovation.

EDUCATIONAL BACKGROUND

University of Rwanda – Huye, Rwanda   **May 2022 – Oct 2025**
BSc (Hons) Business Information Technology

Relevant Coursework: Completed coursework in Programming, Database Management, Web Development, Systems Analysis, and Information Systems Security. Studied Business Management, Project Management, E-Commerce, Entrepreneurship, and Strategic Management. Gained practical experience through Data Analytics, Research Methods, and a final-year capstone project with an industrial internship.

PROFESSIONAL WORK EXPERIENCE

k-Lab   **Aug 2025 - Present**
Web developer intern– Kigali, Rwanda

- Developed an interactive and user-friendly front-end and backend of an e-commerce website using React.js, and MongoDB to enhance online shopping experience.

k-Lab   **Aug 2025 - Present**
UI/UX Designer intern– Kigali, Rwanda

- Worked with a team of six to design and develop a Billboard Advertising. This is a web platform that connects billboard owners and companies using the React framework and Node.js to help companies find available billboards and get in contact with owners to negotiate an agreement.

PROJECTS

Smart Cooperative Hub   **Oct 2025 - Sept 2025**
UI Designer

- Designed and implemented responsive user interfaces using React, Tailwind CSS, and modern UI/UX principles. Collaborated with a multidisciplinary team to enhance user experience, improve navigation, and optimize platform performance.

Creative Corner E-commerce Website   **Aug 2025 - Present**

- Developed an e-commerce Website by using the React framework and Node.js, which will support Creative Corner Ltd to sell and advertise their product and services online.

Portfolio Website   **July 2025 - Aug 2025**

- Designed my Personal portfolio website by using Figma and React Framework.

EXTRACURRICULAR ACTIVITIES

UNICEF Girls' Education Programme, Endline Evaluation   **02nd-26th March 2023**

- Worked as a Data Enumerator in Nyabihu, Kayonza, and Nyaruguru Districts

Girl Effect   **September 2022**

- Participated in data collection.
- Assisted in data translation and transcription.

CERTIFICATIONS

Web Developer Certificate – kLab TechUp Skills Program   **In Progress**   **August 2025-Present**
Training in modern full-stack development using React.js, Node.js, Typescript, and Tailwind CSS.

Alx AI Career Essentials Program   **March 2024 - May 2024**
Completed an 8-week programme in AI Augmented Professional Development Skills in the digital age.
